

## **Late Afternoon Ceremony Wedding Package**

If a formal wedding breakfast with speeches isn't to your liking then a late afternoon wedding ceremony with drinks reception and canapes is a great option. A late afternoon wedding normally takes place between 3.30pm and 5.00pm

Our main room will host your ceremony and will be set with white chair covers and sashes of your choice. This will take approximately 30 minutes, after which Prosecco and canapes will be served outside and you can choose from the many beautiful woodland backdrops to feature in your wedding photos.

A sumptuous evening buffet or hog-roast can then be served by our chef for you and your evening guests to enjoy. The disco will ensure everyone is on their feet and celebrating through until midnight.

**Total package cost for 50 day guests and 100 evening guests £3495**

**Additional guests for the whole wedding £44 per head**

**Additional evening guests £12 per head**
